HOW DO I PERMIT OTHERS TO SIGN OUT MY CHILD FROM CAMP? If you permit anyone else to pick up your camper, you may share a screenshot of this card for them to show camp staff.

YOU WILL NEED THIS DIGITAL PICK UP CARD TO SIGN OUT YOUR CAMPER EACH DAY.

# Health and Safety

## Health Forms

A current medical form completed on our website is required in order to attend camp. If your child has any allergies or requires additional medicine throughout the day, the forms must be completed and submitted to the Recreation Office.

On the health form, caregivers must proactively cite any key information regarding camper behavioral, emotional or social concerns before arriving to camp.

## Illness / Injury Policy

For the welfare of our campers, we ask that parents keep their child home if he/she appears ill or has been ill during the night. If at any time the staff feels that a child is too sick to remain at camp, the parent/guardian will be called. A parent, guardian, or emergency contact must pick the child within 30 minutes of receiving the phone call.

## Medications

Whenever possible, please administer all medications at home. If your child needs prescription medication during the camp day, they must be able to self-administer the medication. If medications must be given during camp hours, please carefully review the following information:

Our staff cannot oversee the administration of medication to any child without written permission from both the camper's physician and the parent/guardian. A camper must also be able to recognize and self-administer medications in order to take them while at camp.

Note: All prescription medication must be kept in the actual container in which it was received from the pharmacy. The container should include the prescribing doctor's name, name of the medication, procedures for use, and the child's name. Any medication sent to camp **MUST** be checked in at the camp office. Do not rely on your child to deliver medications.

# Bullying Statement

The New Windsor Summer Camp is committed to providing all campers with a safe and welcoming environment where all campers feel valued and respected. We have a zero-tolerance policy for bullying in any form. Any behavior that intentionally harms, intimidates, or excludes another camper will not be tolerated. Our goal is to foster a positive community built on kindness, respect, and teamwork.

## What is bullying?

Bullying is deliberate, repeated behavior that involves an imbalance of power. It can take many forms, including but not limited to:

- **Physical Bullying** - Any unwanted physical contact intended to hurt or control another person, such as hitting, pushing, kicking, or restraining.
- **Verbal Bullying** - Using words to insult, belittle, or humiliate others, including name-calling, teasing, or making threats.
- **Relational Bullying** - Manipulating friendships, spreading rumors, excluding others, or using social pressure to isolate someone
- **Cyberbullying** - Using digital platforms (text messages, emails, social media, or images) to harass, embarrass, or threaten someone.
- **Hazing** - Pressuring or forcing someone to participate in humiliating, degrading, or dangerous activities, regardless of their willingness.
- **Sexualized Bullying** - Any inappropriate behavior of a sexual nature, including sexting, inappropriate comments, or exposing body parts.

## Our Commitment to Addressing Bullying

If any form of bullying is reported or observed, it will be taken seriously. Our leadership team, including counselors, site directors, and the Camp Director, will address incidents promptly and fairly. Consequences will be determined based on the severity of the situation and in alignment with our policies.
